

Welcome to another edition of news from the ministry of SEAN UK. It has been a busy time with a trip to Uganda to see the progress of The Ndejje Resource Centre and the SEAN discipleship programme; you can read about the amazing progress on page 2. There is a hunger for God's word in Uganda that we have longed to see in the UK but we continue to serve the Church where requested. SEAN courses can be used to compliment your own Church training or as a long term discipleship programme with credits for each course leading to Certificates and Diplomas as a recognition of commitment and completion of the end of course exam. Please contact us if you would like a visit, training for tutors or help in setting up a Programme. It is a joy to serve you. Jacqui and Rob

SEAN UK
 Making a Difference
 In the UK
 And Uganda
 Spring 2018

Anthony Collins from North Devon shares his testimony of how the tool of SEAN has impacted his life.

“As a Christian of 21 years I had a ravenous appetite for the Word of God from the very start of my walk with Christ. My initial thoughts at my conversion were to go to Bible College but the Holy Spirit said He would be my teacher. He prompted me to listen to Bible teachers and resources and certain books on Christian theology. As I studied these different resources I became established and guided in my walk with God. One of the resources that I was directed to by a Christian cousin was the SEAN discipleship courses. I found the teaching so clear and easy to understand which enabled me to receive so much revelation from it for my walk not just head knowledge but every time I sat down to study I was always excited to see what God would reveal to me next. The teaching from just one unit of one lesson brought a depth of the meaning to my life that had a profound and lasting impact. I found the SEAN teaching to be a treasure trove of truths and I was hungry to use the resources as much as could. I studied Life to the Full, Pure gold the Life of Christ, Ephesians and Jeremiah with great delight that brought me closer to the Lord. I became involved with a teaching ministry that took me to Myanmar and the Pastor we worked with had been introduced to the SEAN resources by a South Korean missionary a few years earlier and it had become an integral part of the bible school training. It was the student's favourite class each week in their theological training. Another Pastor was also using the resources at another Bible school with great effect. SEAN has greatly helped me get closer to God and appreciate how much He loves me and all mankind and I am grateful for the impact it has made on so lives around the world as it has spread and grown”.

Pastor Roy from Scotland shares the amazing achievements of his students. Well done Roy you are a light and a flagship for discipleship

“The Fellowship of Christ in Dunfermline celebrated their twenty-first Pastoral Theology graduation ceremony. The Fellowship has been studying The Life of Christ without a break for the past twenty-one years. Each book is studied one year at a time. The year starts at the end of August and continues with tutorials every two weeks until mid-March with a break for Christmas. After the graduation there is a break until the end of the following August. That gives the students and tutors a chance to recover from all their hard work! This year the graduation was held in the King Malcolm Hotel in Dunfermline on the last Wednesday evening in March. Wednesday is the tutorial evening. All the students passed their exams with flying colours and were awarded certificates for the year (or book) they had completed. One student had completed her sixth year and had thus finished the six books of the course. She was awarded a SEAN diploma as well as her sixth year graduation certificate. She also had the remarkable achievement of passing her exams in all six years with 100% each time. Well done. Everyone said the buffet was marvellous as well”

Course Updates

The Life of Christ in Matthews Gospel is now updated with a new set of covers. We have returned to the original style of one column instead of two to make writing in the spaces easier. We continue to reassess the layout and will make more changes on each print run to make them as user friendly as possible. We can supply all courses in A5 or A4.

Life to the Full, Pure Gold and Ephesians (below) make a solid foundation for all believers young or mature in faith to grasp the full message of the Gospel and its impact in our daily lives. To really know the length and width and height and depth of God's Love for us. Building on this solid rock the 6 books of The Life of Christ make a natural follow on to the foundation series. Growing in faith, growing in relationship, growing leaders.

Price Increase
 It has been many years since we had a price increase to keep courses affordable to everyone but due to the rising cost of printing we are forced to reflect this in the individual cost of each course. The increase will be effective from 1st July, 2018.

Go to our website for more information www.sean.uk.net

Some of the translators at St Marks Church Entebbe. The team of 7 worked day and night to get Pure gold translated into Luganda. We need to print 15,000 course books to meet the growing demand. They have now committed themselves to begin the book of Ephesians. From left to right. Rebecca Daniels wife, Mutambi Ian, Jacqui, Daniel, Kyazze Solomon, Kakumba Musisi Ezera, Ssebulime Rob and Nicky

Revival for God's Word is increasing in the rural grass root Churches and we were truly blessed to be part of the SEAN groups as they got down to some meaty discussions. They were so open and honest about their lives and so hungry for God's Word. Children sat at their mother's feet or in their mothers' arms, all ages joined the discussion. The man in blue was one of the tutors and it was evident he had been well trained to tutor a group. Their SEAN books are so precious to them that they put a cover on them carefully with newspaper so they won't get damaged. They are studying with SEAN's Life to the Full Course and are now able to go on to Pure Gold in Luganda because of the dedicated translation team.

With God All things are possible

Daniel and Rebecca move into the Managers House this month and the Discipleship Programme will be set up in the office underneath. Because of severe flooding in the forest due to the rainy season the rafters for the Medical Centre have not been able to be transported on site but we hope the roof will be completed soon. We then apply for a license and then look to furnishing the Medical Centre with equipment.

All Praise goes to the King of Kings

Ssese Islands

Daniel has just sent across to the Islands 1,500 Life to Full courses and 150 Luganda Bibles to fulfil the needs of students in Jaana, Bubeke and Buyange Islands. The SEAN ministry is now in more than 25 congregations on 11 islands and growing and spreading rapidly. Some islands are so remote that communication is difficult but Rev Edward is sending trained tutors to these islands to follow up from the initial training. Thanks to the translation team at St Marks we now have Pure gold in Luganda.

Thanks to a donation we have been able to buy Luganda Bibles which are much needed on the Islands. Bibles are rare, the locals are not able to afford one or get to the main land to purchase one. The Bibles we have supplied will be treasured.

Shallow Well

There is no mains water in Ndejje so we have to install a shallow well. Total cost including water tank is £3,700.00. Thank you to Gill and friends from Wallington. They organised a cream tea on Bank Holiday Monday and raised £820.00. See below for details if you would like to help meet our target to provide water.

Thank you is not enough to express our gratitude to all our personal supporters, partners and Funders who have made all this possible

Nathan – Prison Ministry

In April Nathan reached out to Nakasongola prison North of Kampala, Buwanbo mens prison, Nkozi mens prison on Maska Road, Buwama army prison and Kirinya Sibcounty prison in Jinja. This month Nathan is going to Bugembe prison in Jinja, Kirinya Jinja, Buwama, Nkozi and Bulawula in Kayima district. SEAN is becoming the most sought after discipleship ministry among Uganda prisons. More than 1,200 Life to the Full courses are being used in different Uganda prisons.
